Maria Soledad Diaz

Retrospective: PASI 2011

- Lectures were comprehensive
- Provided good environment for collaborative learning
- Group activities facilitated personal interactions
 - ✓ good networking (stronger than AIChE)
 - ✓ mixing with organizers worked well
- Schedule was good
 - ✓ frequent breaks helped keeping attention high
 - ✓ Seminars followed by detailed lecture
- Sustainable conference
 - ✓ No hardcopies

•

•

Wishlist

- Intensify learning experience in workshops
 - ✓ Smaller groups for more individual feedback
 - ✓ Questionnaire for a-priori skill level evaluation
- Facilitate academic small talk
 - ✓ 1 paragraph about each student research
- Some seminars too extensive
 - ✓ reduce scope/size (some speakers: 100sl./hr)
- PASI reunion at other conferences, e.g. AIChE 2011
 - ✓ CAST 10 division of AIChE
- Networking for women in academia
